THE INCREDIBLE WORLD TOUR OF SAM THE CAT

TODAY, SAM THE CAT IS BORED...

All my friends are busy. I don't know what I could do this afternoon!

Look at that! Wool balls! Well I guess I could spend my time playing with them.
That could be a lot of fun!

Oh man! The wool balls dropped!
I'm so clumsy!

What if I followed them? They
might take me somewhere...

Look! There are two elephants! I'm Sam the cat. What are your names?

We are Thiemoko and Mahdi, the African elephants. Nice to meet you Sam.

I'm quite surprised. Both of you are elephants, but only one of you has tusks. Why is that so?

It's because of poaching : humans cut off our tusks to get some money, because they are very rare!

I see... well, they should stop doing it ..! Thanks for the explanation, I'm going ahead to reach the sea. What will be the next animal I meet ?

Oh an Orca! How big you are! Please don't eat me!

Don't be afraid, I don't eat cats, and I'm very kind! I'm an Orca,
and I'm Azurine, the kindest Orca in the world!

Oh, I'm so relieved. And what do you do in the sea?

I travel from one ocean to another. Do you want me to help you
travel the oceans?

Oh yes, I would love that!

Look! An Alpaca!

spits No! I'm Alba the llama!

My mom always told me that it was rude to spit on people. Why are you doing such a thing?

I'm a llama, I spit when I'm angry. And now I am very angry because you mistook me for an Alpaca! I have a much longer neck and much less hair than him!

"Really? I have to see that for myself! I'm going to find an Alpaca to compare - see you later!"

Oh! But you are not an Alpaca then, you're a Stag! Hi, I'm Sam the Cat!

Hi! I'm not a Stag! I'm an Elk. We are very different: I'm much bigger! and my antlers are bigger too!

Sorry. And do you have your antlers all the time? Sometimes I see Elk without them.

You're right. We lose them during the winter and they grow back later.

Alright! See you later mister..

Mister Zack. See you Sam !

Why are you eating? It's not lunch time!

I don't think we have met yet. I'm Feng the Panda. And so that you know, I'm always eating

But what are you eating?

Bamboo. Do you want to try?

No thanks. But you are eating so much!

Yes, I eat almost 20 kilos of this per day.

Wow, that's huge! Well enjoy your meal, I'm going to continue my adventure.

Hey you! I'm Ella the kangaroo.
You're not from round here, are
you?

No, I decided to travel because I
was bored at home.

I see, would you like to box with
me? I'm crazy about that!

Hum... No thank you, I have
never boxed before... but thanks
for asking me! See you!

Hello you, I'm Vadim the brown bear, I'm not a teddy bear!

So you're a real bear! But why aren't you sleeping?

It's not the right time for hibernation. But I'm preparing for it by eating a lot of roots and berries

Aren't you eating honey, as well?

I must admit that I love honey, but I'm not eating that much of it. I prefer hunting fish.

So you're an omnivore!

That's right!

Well, I'm going to find some berries for you, see you later!

Hello there, I'm Mahala the polar bear

What a strange animal! Why are you white? I have just met another bear and he was brown!

I'm white so I can camouflage myself against the ice-floes, because the environment isn't the same. But we are not that different, we both are bears and come from the same family.

Oh, I understand well now! I will remember that! Are there some berries here?

Unfortunately no, we're on the floe here and there are no berries, it's too cold!

Oh, I see. Well I'm going to find some elsewhere, bye-bye!

CHOOSE ANOTHER COUNTRY AT PAGE 9 TO CARRY ON FOLLOWING SAM!

Mom, Dad! I'm back from my trip! I travelled all around the globe and I have met some very interesting animals.

Where have you been, darling?

I have travelled on many continents : Europe, Asia, Africa, Oceania and America. I have also been to the North Pole and underwater! Next time, you should come with me! I'm sure we will meet plenty of new animals!
