Amina's dream journey

Come and gather together and listen carefully, I'm going to tell you the story of a child who travelled the entire world in one day...

*He started his
trip in...*

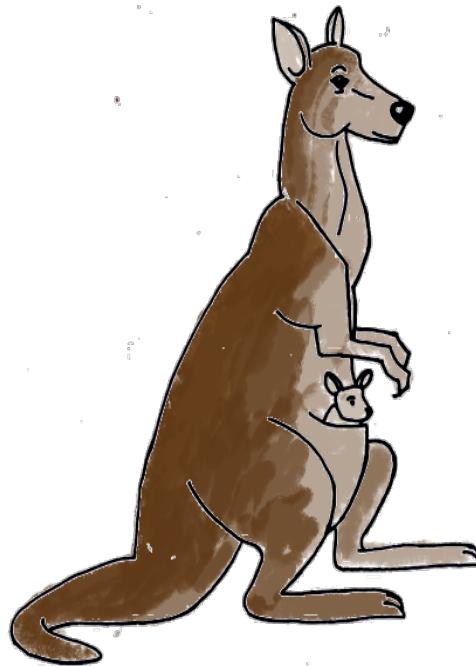

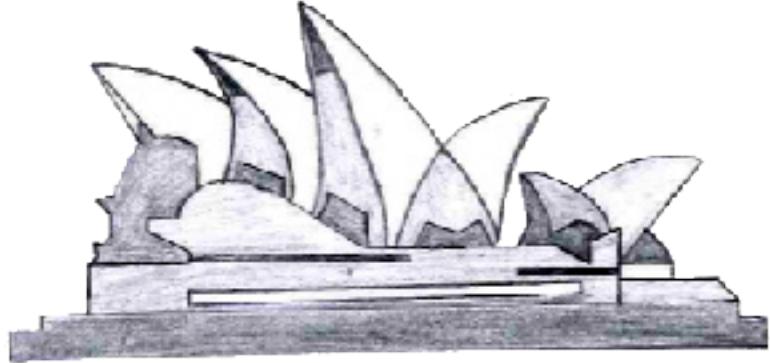

... AUSTRALIA

*where he met Jack who
told him everything
about Australian's
favourite sport, surfing.*

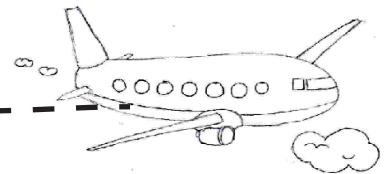

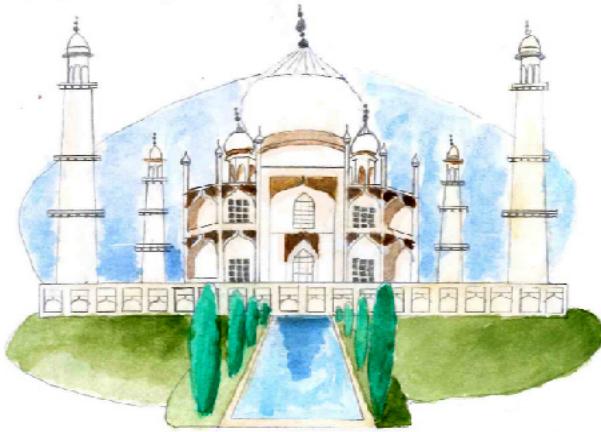

But also about the Sydney Opera House and kangaroos, those funny animals that jump about everywhere.

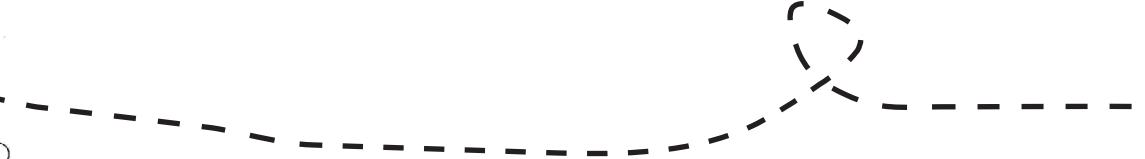

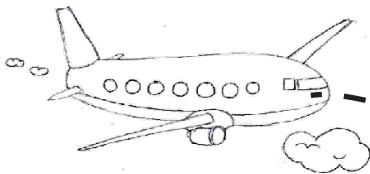

Then he flew to...

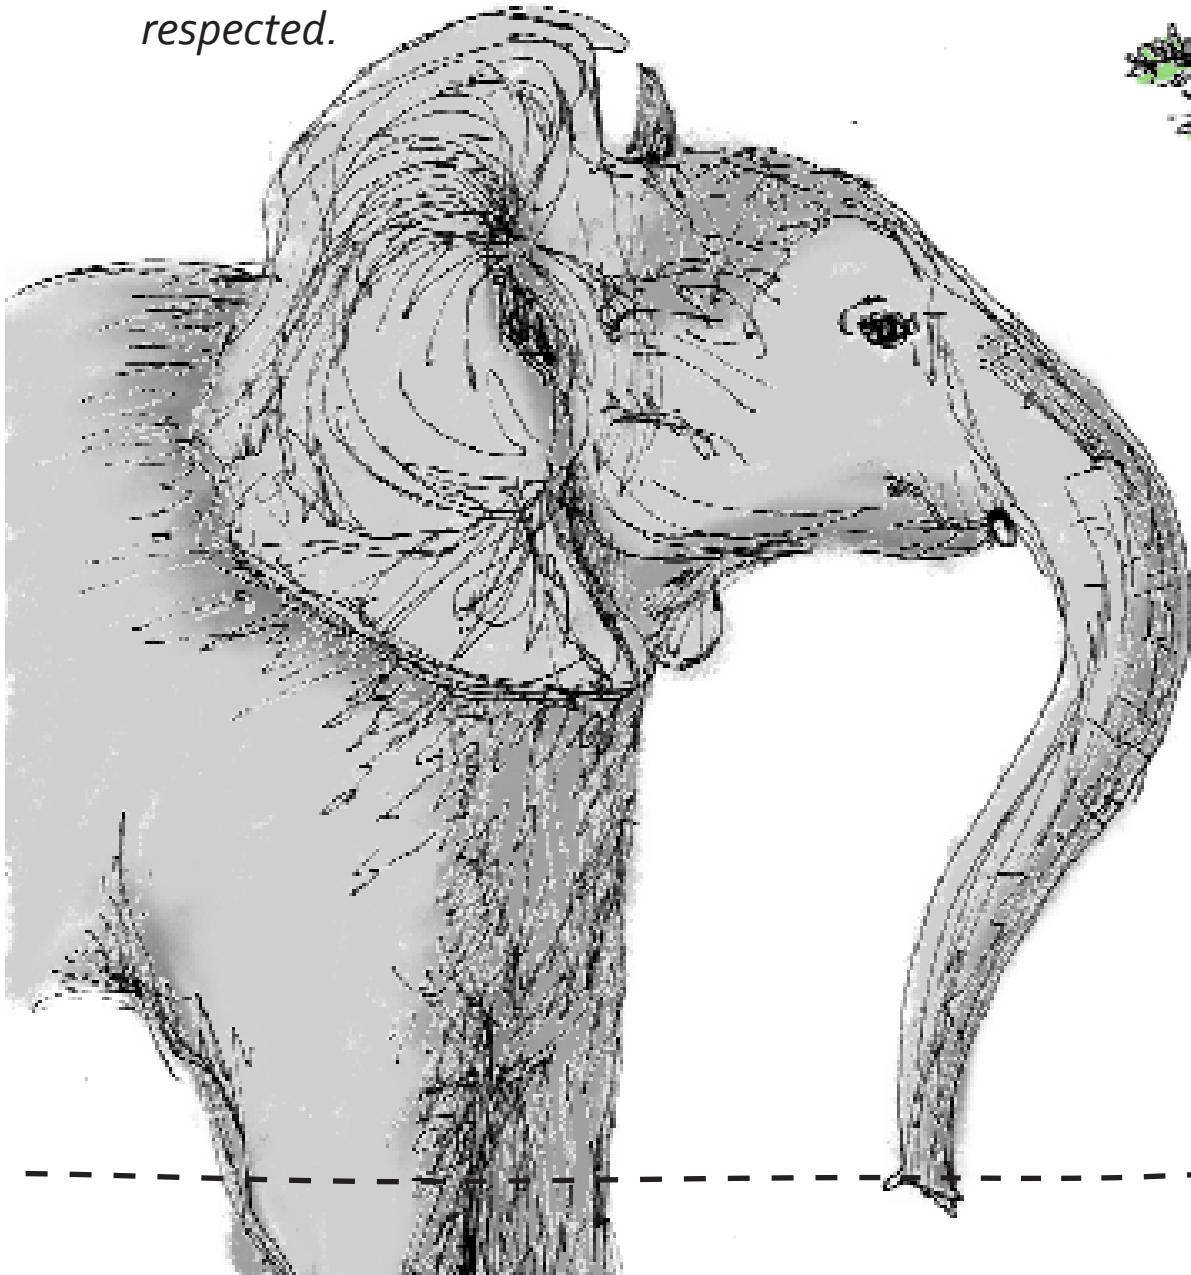

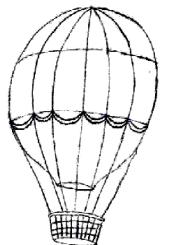

...INDIA. Saima in her beautiful sari took him to the Taj Mahal.

*There, elephants are a symbol
of wisdom and are very
respected.*

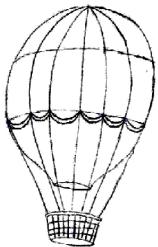

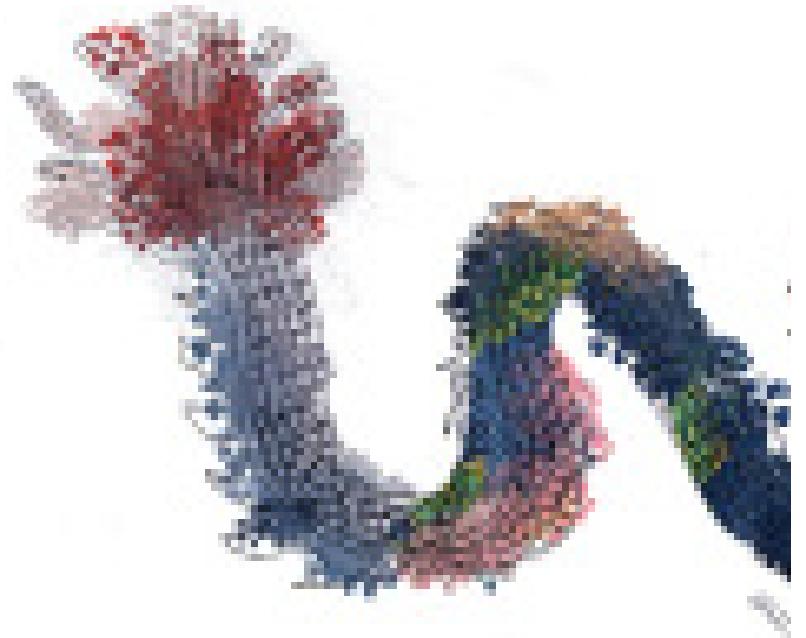

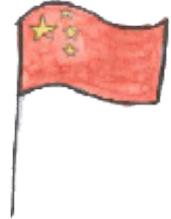

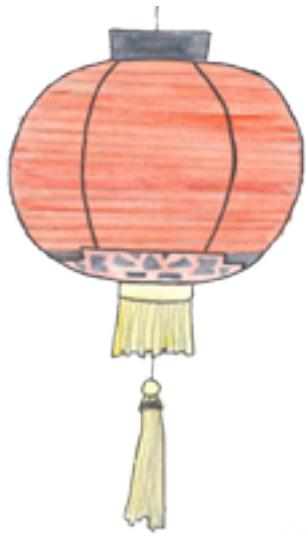

*He continued
his journey
taking a
balloon flight,
straight to...*

...CHINA. His new friend Chen welcomed him during the Chinese New Year. The lanterns and the big dragons were all over the place.

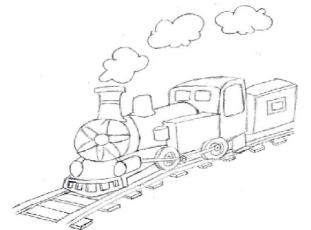

Did you know that in China, they are used to eating with chopsticks?

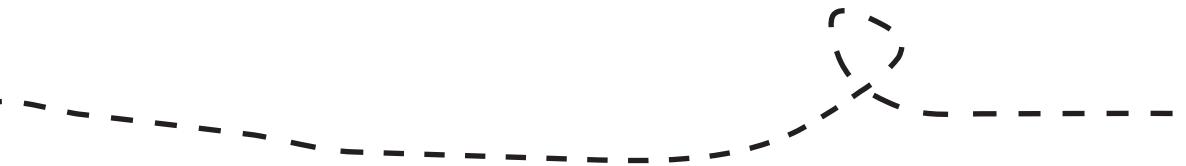

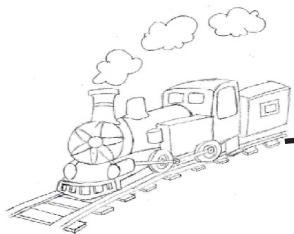

But it was already time to take the train to...

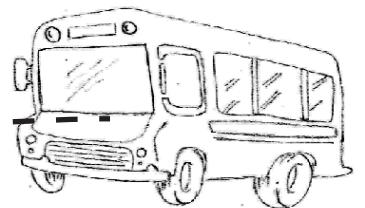

...**SIBERIA.** *There, Dimitri introduced him to his daily-life in the extremes of this region. Sleeping in a yurt, dog sledding and playing with so much snow, it seemed so unusual to the child.*

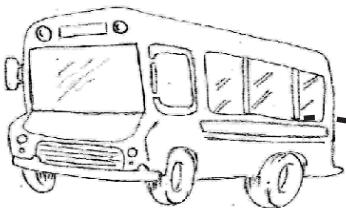

*But the bus was
waiting for him to go
to...*

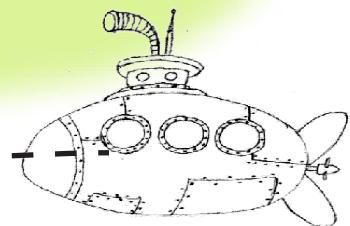

...FRANCE. Camille had him taste French traditional pastries such as the "croissant" and the "baguette". It was with a full tummy that they went for a bike ride near the Eiffel Tower.

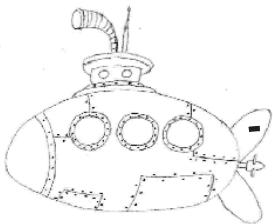

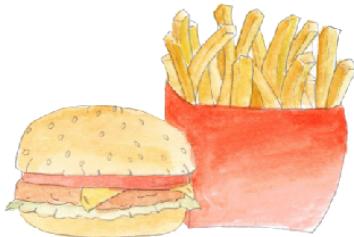

*Believe it or not, he jumped
in a submarine to his next
destination...*

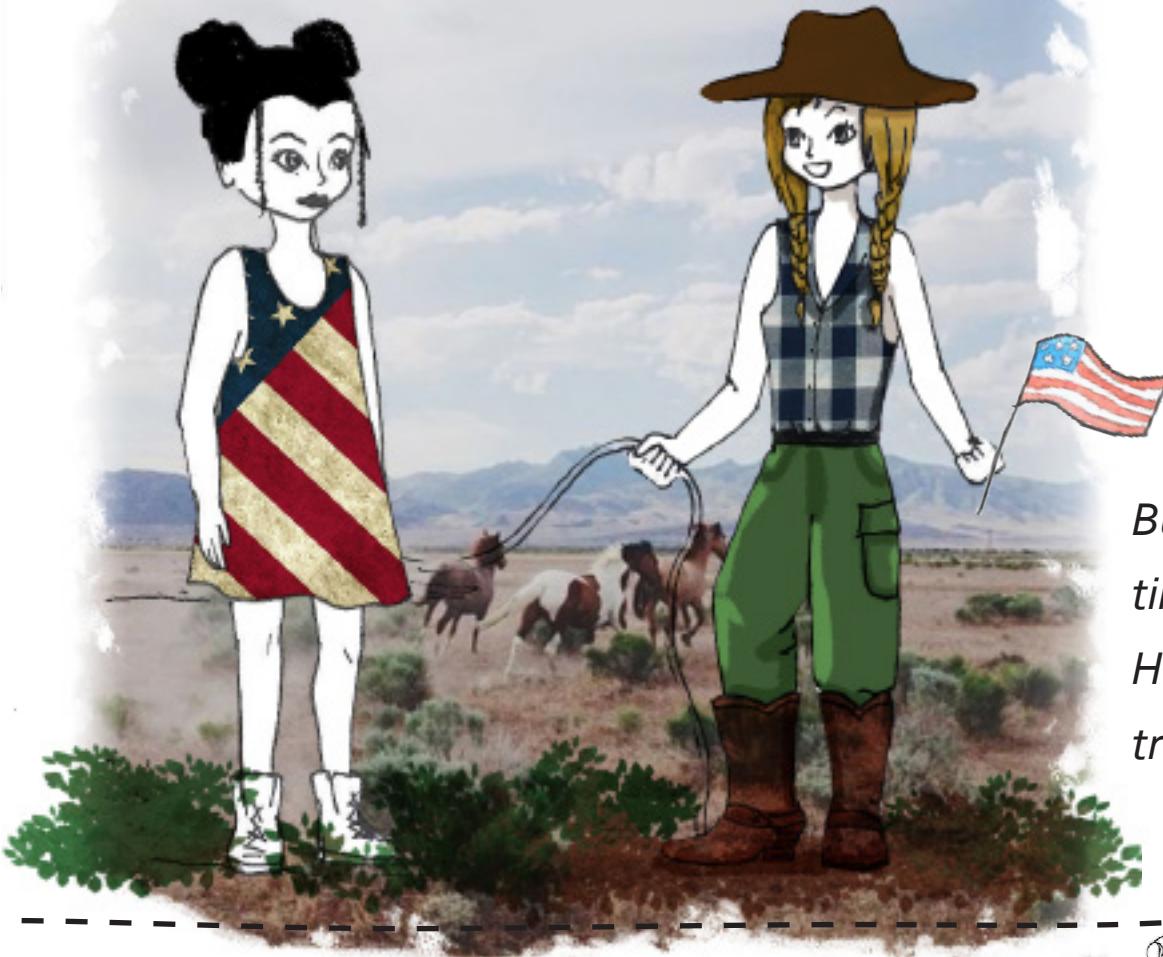

... the UNITED-STATES and after taking pictures of the Statue of Liberty and yellow cabs, Ashley took him into the countryside along the mythic Route 66.

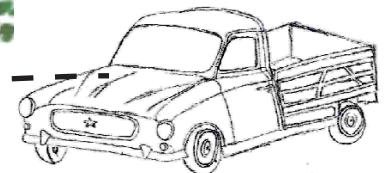

*There, cowboy hats and lassos
were very trendy!*

*But there was no
time to relax.*

*He got in a pick-up
truck right to...*

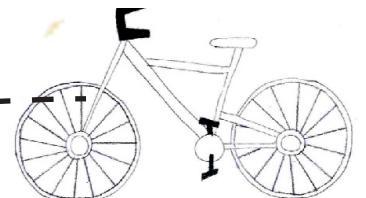

...BRAZIL. Gabriella and Diego taught him how to dance samba.

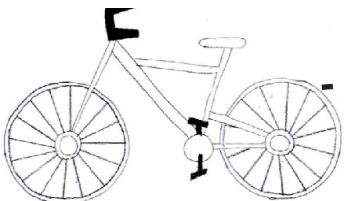

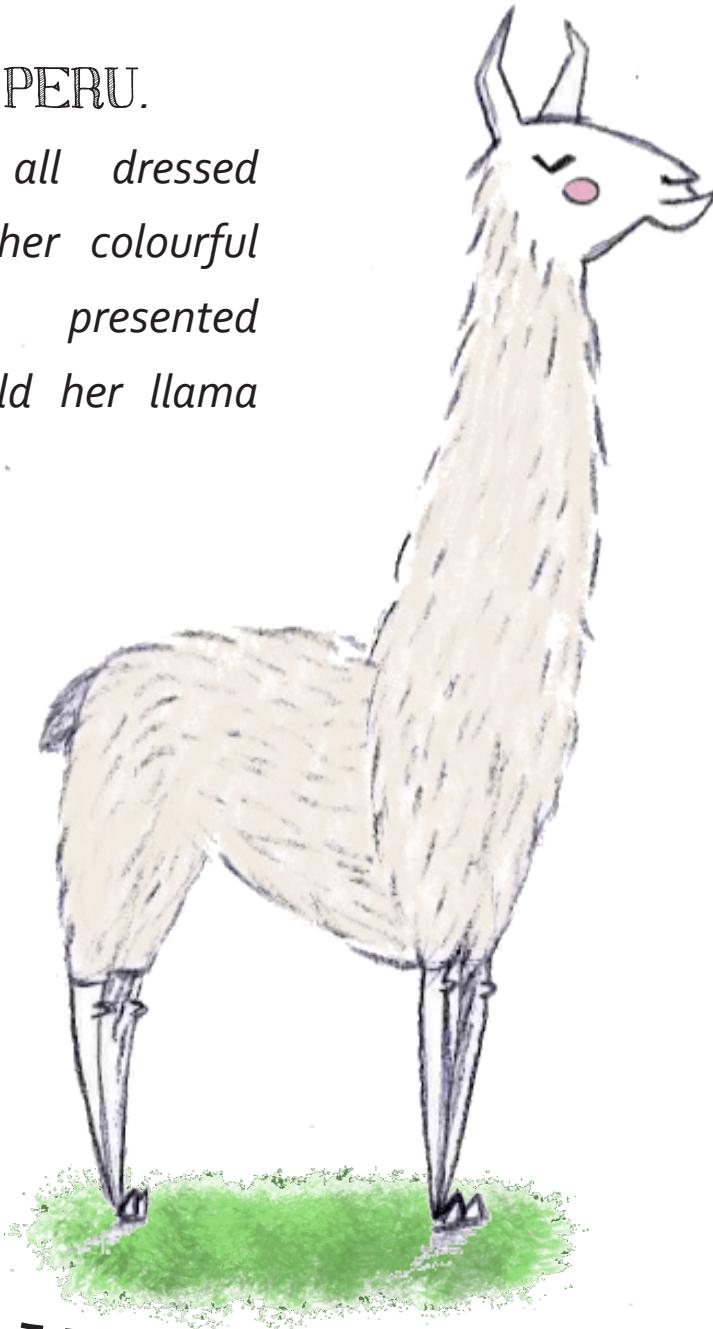

*The atmosphere was so joyful!
The Christ at Corcovado
was so imposing!
Then, grabbing his bike,
he rode to his next destination...*

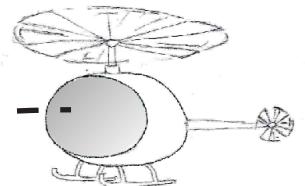

...PERU.

*Maria all dressed
up in her colourful
poncho presented
the child her llama
Paulito.*

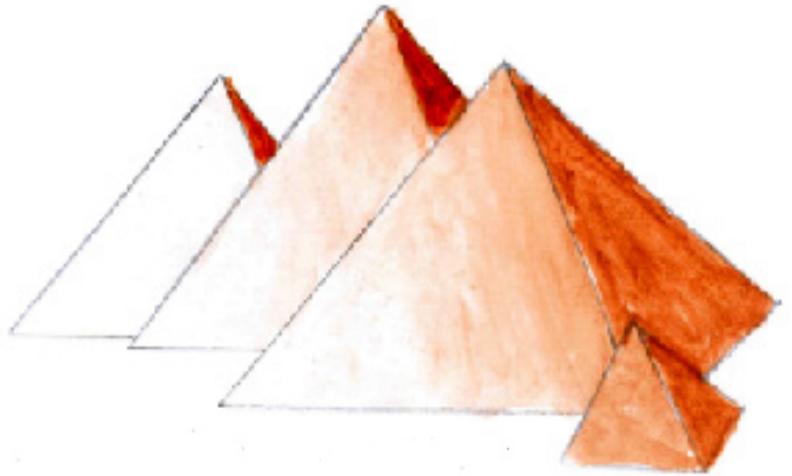

*Altogether they went to see the lost City of the Inca, Machu Picchu.
There, out of nowhere, a helicopter took him in and they flew right to...*

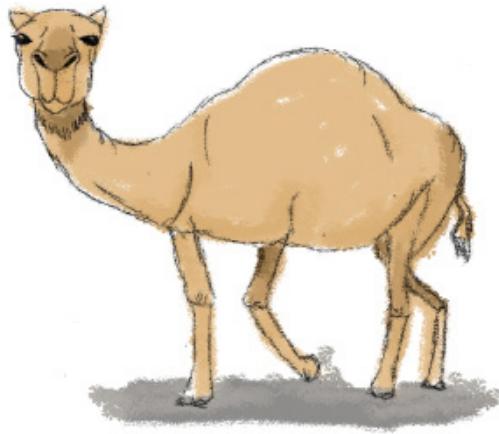

... EGYPT where Karim was expecting him, he couldn't wait to show him the majestic Sphinx.

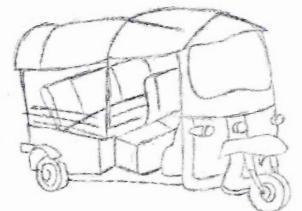

There were many pyramids at the foot of which several were dromedaries resting.

One tuk tuk drove him to...

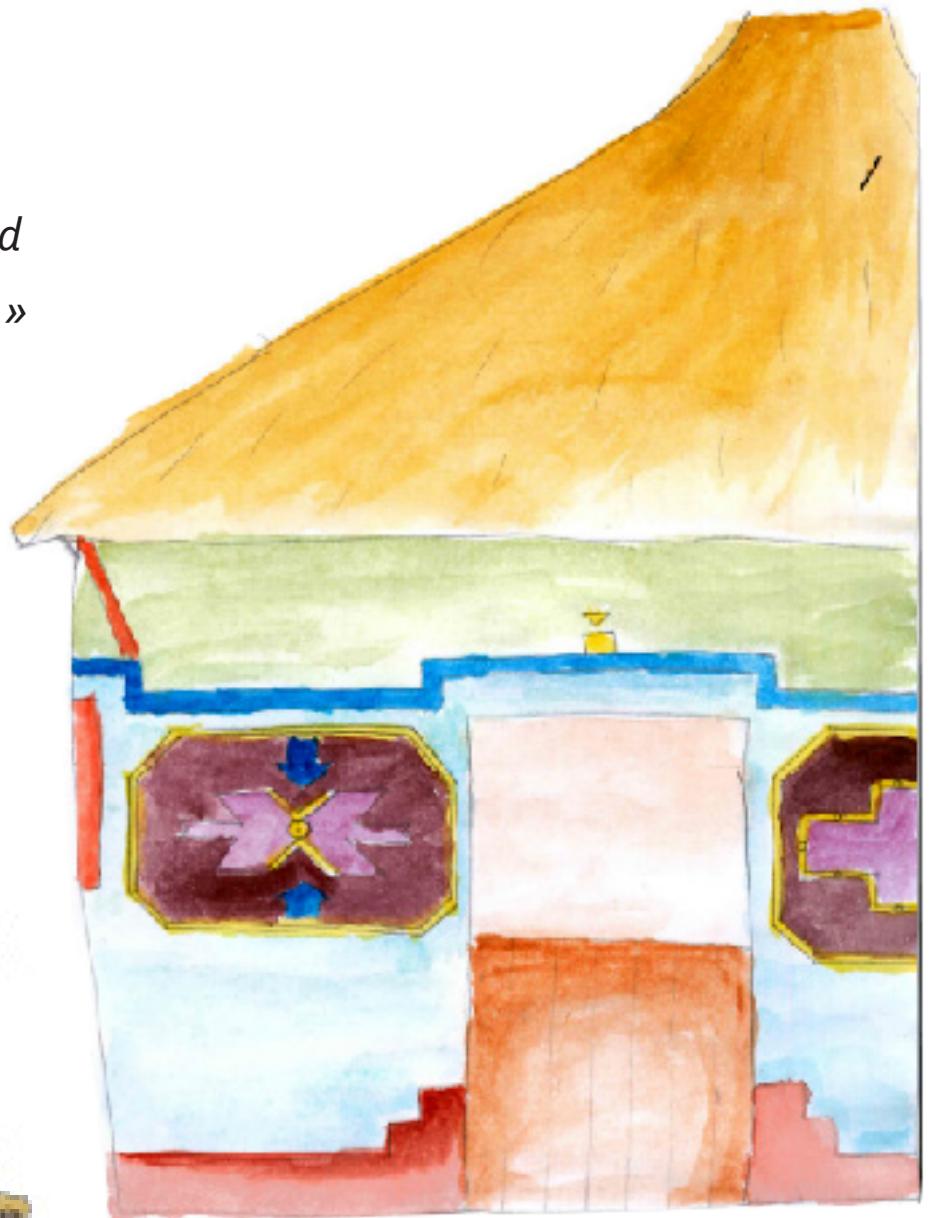

*...HOME! It was the
end of a wonderful
journey...*

*« Mummy! Mummy! I had
an extraordinary dream! »*

« What is it Amina? »

« Mummy, when I get older, I will travel around the world! I am going to be an explorer! »
