*Welcome to Yora's Land*

*On that day Lilo woke up without  
knowing that something  
extraordinary would happen to him.*

*He was walking down the street,  
when, suddenly, someone appeared in  
front of him. It was a girl.*

*She seemed completely lost, as she came from a different place.*

*"Where am I?", she thought, feeling alone and afraid.*

Lilo who was curious, got closer to  
her and asked:

"How come you appeared from  
nowhere?"

"I was travelling through time...  
she said.

*I think I am not supposed to be  
here.*

*"I am from the future."*

"Really ?! Waaaaaaaaw !! It's  
amazing !

"How did you do it? Do you have  
magic powers?" So many questions  
came to him, he was amazed.

*"What is the future like?."*

"Slow down, slow down, I will explain it all to you. My name is Yora." she said.

"In 2050, people no longer live in cities as you know them now. We live in harmony with nature. "

*"In Forestland, trees are people's homes. Instead of destroying the forest, we plant trees."*

*"In Sandland, we use the sun to  
produce energy."*

*"In BlueLand, we clean the oceans, we  
recycle water and we make  
it drinkable."*

*"If people can live under the sea,  
can they live in the sky?"*

Wow  
Wow  
Wow

MOM

*"Indeed. In Skyland, we live on  
fluffy clouds. Energy comes  
from the wind."*

"Everything seems so wonderful in  
the future" Lilo said.

"Always remember that nature is  
your friend  
and you have to be gentle with it.  
Be patient and in a few  
decades, it will be your world."

*The End*

*Lilo, a little boy, was walking down a path when suddenly a girl appeared. It was Yora and she was coming from the future. Lilo, very curious, asked Yora a lot of questions about the world she lived in. She explained that in her world, people have managed to adapt to their environment.*
